Dear Friends,

For 127 years, Humboldt Park Health has been committed to advancing health equity in Chicago on the city's west side. We recognize that it would not be possible without the many dedicated partners, businesses, organizations and friends like you.

On Friday, June 9, 2023, the Humboldt Park Health Foundation will host our **9th Annual Power of Community Gala – *Building our Future, Making History*** at the Radisson Blu in Chicago. We would like to personally invite you to participate as one of our event's valued sponsors.

Since our founding in 1894, our mission has been rooted in Chicago on the city's west side. As a safety-net hospital, we reinvest in the community through programs that help those that suffer from chronic health issues such as diabetes, heart disease, cancer, behavioral health disorders and substance abuse. We work hard every day to be a place of healing, caring and connection for patients and families in the community we call home. **As we celebrate our past achievements, we are also proud of our work to build the future of healthcare.**

Become an esteemed investor and be part of our big vision. Can we count on you?

Thank you for considering supporting the Humboldt Park Health Foundation and the 9th Annual Power of Community Gala.

Sincerely,

José R. Sánchez, LMSW, LCSW
